During the Arkansas General Assembly legislators passed Act 1163 of 1997. This Act mandates that on and after July 1, 1997, all persons, boards, commissions, or other licensing entities issuing any occupational, professional or business license or marriage licenses will record the name, address and social security number of each person applying for such licenses on the license application, or on the license if no application is required. The Arkansas State Plant Board is required to submit this information to the Office of Child Support Enforcement.
